

Consent Form for Project Information Collection

I hereby declare that the project information I provide is done so on a voluntary basis and I understand that the data will be used by the HYXiPOWER Case Study Program. I hereby agree to release my project information for the following purposes:

- **Case Development:** Your project information will be used to develop educational and training cases that help partners better understand and apply industry best practices.
- **Promotion and Communication:** Project information may be used to multiple promotion channels and other publications aimed at disseminating key knowledge on project management and execution.
- **Professional Forum Presentation:** Project information and its outcomes may be showcased in various professional forums and conferences to demonstrate best practices in project management and implementation.
- **Academic Research:** The information will be used to support academic research that advances understanding of specific industry trends, challenges, and solutions, thus enhancing industry knowledge and practice.
- **Insight Sharing Among Participants and Partners:** Through the case study program, your project information will be shared with other project participants and partners, promoting learning and the exchange of experiences.

By signing this form, I hereby declare that:

The information I provide about my project is done so voluntarily. I understand the purposes for which my project information will be used as described above. I agree to release my project information for the purposes outlined in this consent form. I have read this consent form (or have had it read to me), and I fully understand the contents of this document and voluntarily consent to participate.
